8. Premiums

The amount we charge you for this insurance when you first insure with us and each time you renew is called the premium. We calculate your premium after taking a variety of factors into account. Some factors can affect the amount of your premium. The higher your risk profile, the higher your premium. Using our experience, we decide what factors will increase your risk profile and how they impact on the premium.

Your premium also takes into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. stamp duty, GST and fire services levy), in relation to your policy. These amounts will be shown separately on your policy schedule as part of the total premium payable.

The following table is a guide on how these factors combine together and may influence our assessment of the risk and therefore, your premium.

Factor	Premium may be lower	Premium may be higher
The postcode where your building and/or contents are located	Lower risk postcode	Higher risk postcode
The amount you choose to insure your building and/or your contents	Lower sum insured	Higher sum insured
Types of covers selected for your policy	Both building and contents taken together	Building taken without contents or vice versa
The age of your building	Lower age	Higher age
The construction type of your building	Brick	Non-brick
The security of your building	Approved alarm system	Poor security
The amount of your excess	A higher standard excess is selected	A higher standard excess is not selected

9. Excess

When you make a claim under your policy, you may be required to pay an excess in respect of your claim. The amount of each applicable excess is shown on your policy schedule. The excess is only applied once per event, even if you claim under more than one section.

10. Cancellation

By You – You may cancel this policy at any time by giving us written notice.

Cooling Off Period

You may return your Policy (including a renewal) if you are not happy with it. To do so, you must contact Property Insurance Plus (see details on the front page) asking to return your Policy. The call should be made within 14 days of the policy commencing or renewing. This does not affect Your cancellation rights in the Policy. However, you cannot return your Policy if you have exercised any right under the Policy (e.g. a claim has been made) or your rights have ended (e.g. the period of insurance has finished).

By Us – We may cancel this policy in accordance with the Insurance Contracts Act 1984. We will retain from the premium you have paid to us, an amount that represents the period you were insured by us and refund the balance. This amount will be calculated from the date of cancellation.

Paying your claim

We only pay once

Where a claim is payable under both the 'Cover for your building' and 'Cover for your contents' sections of this policy we will pay you the better benefit, but will not pay you under both sections.

When you have legal liability cover under both the 'Cover for your building' section and the 'Cover for your contents' section the most we will pay is the sum insured shown on your policy schedule inclusive of legal costs, charges and expenses, and these covers are not cumulative and are a total combined sum..

Reinstatement of your sums insured following a claim

Where there is loss or damage to your building or your contents, and a claim is admitted by us, the sum insured will be automatically reinstated without payment of an additional premium, unless the claim is for a total loss. If we pay the full sum insured for your building or contents then cover under those sections comes to an end.

If the claim is for a total loss of your building and we have paid you the sum insured then cover for your building will end but legal liability cover will remain in force until the expiry date of your policy.

How we pay a claim for your building

Where we pay a claim for your building, we will choose to do one of the following:

- Repair the damaged portion of your building; or
- Replace your building using new materials; or
- Compensate you the amount it would have cost us for repair or replacement.

If you decide not to repair or replace your building, or do not commence repair or replacement within six months of the date the loss or damage occurred, we will only compensate you for what it would have cost to repair or replace your building at the date of the loss or damage.

The most we will pay for your building

The most we will pay for your building is the sum insured shown on your policy schedule plus additional benefits as listed in your policy.

Paying your claim

Cash settlement

If you wish us to compensate you for your loss by a cash settlement you must put your request in writing for our consideration. At our sole discretion we may accept or decline your request.

If we choose to compensate you by a cash settlement we will pay an amount equal to the reasonable cost of repairing or rebuilding your building as determined by us, less any trade discount we receive or negotiate.

Matching building materials

Where we repair your building we will try to return your building to the same condition as when new, or when last renovated by matching building materials as far as we can.

Where we cannot achieve an exact match, we will use materials that match the damaged or lost materials as near as possible in our opinion. We will only do this to the area where the loss or damage occurred.

We will not pay for matching building materials in order to create a uniform effect throughout your building.

Unreasonable delay

We will not pay for any additional or increase in costs due to any unreasonable delay in the commencement of repairs to your building or rebuilding your building.

Building rebuilt at another address

If we agree to replace your building following loss or damage insured by this policy, you may do so to your specifications at your address or another address you choose.

We will not pay for any amount in excess of the amount we would pay if the change of address or specifications had not occurred.

How we pay a claim for your contents

Where we pay a claim for your contents, we will choose to do one of the following:

- Repair your contents
- Replace your contents with new items
- Compensate you the amount it would have cost us for repair or replacement

The most we will pay for your contents

We will only pay up to the limits shown in your policy under “Cover for your Contents” or as stated in your policy schedule. For all other items we will pay up the sum insured shown on your policy schedule unless otherwise stated in your policy.

Carpets or internal window furnishings

When we repair or replace your carpets or internal window furnishings, we will only pay for the repair or replacement in the room or rooms where the loss or damage occurred.

We will not pay for matching carpets or internal window furnishings to create a uniform effect throughout your building.

How we pay loss of rent claims

Loss of Rent is payable under the policy for the period shown on your policy certificate

1. There is damage insured by the policy, and the premises are uninhabitable,
2. Tenant is in breach of the lease agreement and the lease has been terminated in accordance with State Legislation

Note: Cover for loss of rent is only triggered if the rent was not in arrears at policy inception and a minimum of 4 weeks bond is collected at the beginning of the tenancy agreement

In case of loss of rent, we require you to take the following steps before lodgement of your claim:

- Obtain or hold the bond from the tenant
- Proceed with the tribunal hearing process where appropriate and make an application for loss of rent, bond monies and compensation for any damages and/or expenses
- Take steps to minimize the loss of rent by re-letting the property as soon as possible

Once we are in receipt of the above mentioned documents, the claim will be calculated as follows:

Fixed Term Lease Agreement

Loss of rent is payable from the date the tenant has defaulted in their payments until the end of the fixed term lease agreement or until a day before a new tenant is due to move in, whichever is sooner.

Please note that the loss of rent is payable up to a maximum as shown on your policy certificate.

Periodic Lease Agreement

Loss of rent is payable from the date the tenant has defaulted on their payments until the day they vacate the property plus the number of days they are required to give as notice depending on the Residential Tenancy Act of each state.

Please note that the loss of rent is payable up to a maximum as shown on your policy certificate.

Bond Deduction

The bond forms the first part of any loss of rent claim and is able to be used for:

- Unpaid water invoices
- Re-letting fees
- Advertising costs
- Cleaning and steam cleaning costs
- Rubbish removal
- Repairs/maintenance
- Tribunal costs
- Garden tidy up

Once the bond has been fully utilised the loss of rent claim begins.

Allowable bond expenses over and above bond monies (exhausting the bond in full) are not covered under this policy.

Claim Lodgement

Once all above conditions have been met, a claim may be submitted to us.
